They re-titled Policy 1.10 “Policy Development, Review and Approval”, eliminated inconsistencies and streamlined the policy review and approval processes. Instead of the annual ratification, policies recommended by either the Administrative Council or the Faculty Senate and approved by the President will be placed on the next Board’s meeting agenda for consideration and approval. Policies will become effective upon approval by the Board, unless the provisional policy exception applies, or unless otherwise specified in the Faculty Senate legislation or policy proposal. An annual summary for all revisions throughout the year will continue to be done and posted on line and filed in the library.</p> <p>The revisions to Policies 1.05.95 and 1.05.96 update the manual to be consistent with the current organizational structure and other minor edits.</p>	AC: 07.13.10 BOR 07.20.10

<b>3.05</b> Alcohol Policy	Hotel, Restaurant, Tourism and Management	<p>The Tailgating subsection was revised to delete reference to the specific parking lot numbers and specific street names, and to delegate authority jointly to the Athletics Director, Director of Facilities and Services and NMSU Police Chief to designate the Tailgating areas around the football stadium. The purpose was to grant sufficient authority to be able to address changing conditions on the ground (i.e. re-paving of parking lots or street name change). This is also consistent with other provisions in the policy, which designate such decision to the Housing Director--See #2 under Permissible Uses.</p> <p>The revision also moved two paragraphs that were listed under the Tailgating heading, but did not relate to tailgating, up into the body of the policy, as appropriate.</p>	AC: 07.13.10 BOR 07.20.10
<b>3.20.15</b> ** Procedures and Remedies in Cases of Conflicts of Interest and/or Commitment	VP R/GS/IP Human Resource Services	The provisions relating to the routing and approval process for the Annual Conflict of Interest Disclosure form were amended to reduce the number of required approvals to one, provided no potential conflict is identified. <b>3.75</b> Non-Work Related Use of University Resources FS Prop. No. 19-09/10	EVP/Provost Human Resource Services	The Board ratified substantive revisions to this policy last year, when it became part of the rewrite of Policy 2.35 (General NMSU Information and Communications Technology Policies). In addition to revising that paragraph, other edits have been made to clarify the permissible and incidental personal use of NMSU resources.	FS: 04.29.10 AC: 06.08.10 BOR 07.20.10
<b>4.05.50</b> Appeals-Faculty FS Prop. No. 14-9/10A	EVP/Provost Human Resource Services	This policy currently houses three distinct faculty grievance procedures. A task force appointed by the Academic Deans Council, consisting of representatives from faculty, human resources and general counsel's office, consolidated the first two grievance procedures into one, for all faculty grievances. See memo attached for detailed description of the substantive changes, which will streamline and improve the process. The third faculty grievance procedure in 4.05.50 is an appeal process for tenure track and tenured faculty who may be involuntarily terminated for just cause; this procedure was not part of this revision, but is currently under review by the same task force, in conjunction with related sections located in Policy 5.98. <b>4.65</b> Security Clearance (Department of Defense)	EVP/Provost	In conjunction with a Resolution adopted by the Board on May 9, 2010, this policy was revised in response to a request from the Department of Defense, Defense Security Service to implement an updated Key Management Personnel list (Managerial Group), to enhance the protection of classified information received pursuant to classified contracts awarded to NMSU. The Board of Regents, as the governing body for NMSU, delegates its authority to the Managerial Group, which it authorizes to negotiate, execute and administer such contracts on behalf of the University. <b>5.25.40</b> Summer Compensation FS Prop. No. 20-09/10 (amending and superseding Prop 10-09/10 and 10-09/10A)	EVP/Provost Human Resource Services	Revised the paragraphs on <u>Sponsored Research</u> and <u>Combined Teaching-Sponsored Research</u> to allow more flexibility for faculty who work during the summer months on externally funded sponsored projects. <b>5.94</b> Research	VP Research GS/IP	The precursor to a major rewrite next Fall, this limited revision is to update the policy governing research involving human subjects, in order to comply with recommendations received from the Office for Human Research Protection. The revision eliminates the Level 2 review (by course instructor), which means that the IRB membership, in whole or in part, will perform that level of review and approval. Other minor editing changes were also made for consistency with the deletion of the course instructor review. Three other formatting changes were also made, for clarity and ease of future amendment: 1) The paragraphs describing the Council of Research Centers were moved from 5.94 into a new section 5.94.05; 2) The paragraphs describing the University Research Council were moved from 5.94 into a new section 5.94.06; The paragraphs describing the Institutional Review Board were moved from 5.94 into section 5.94.12, "Human Subjects in Research."
